Swimming Pool Opening Tomorrow & Party Notice

Hi All,

Pool season is upon us, and our swim center is scheduled to open on Saturday April 27th. We are also planning a pool party, see the announcement below if you have not already seen it on our Facebook page and be sure to follow us on Facebook, our official page is Reatta Ridge Property Owners.

If you have not received a pool card, please email treasurer@reattaridge.org and I will forward you the pool release to complete and get your card in process.

Several members sent a message requesting a pool card but have not returned the completed pool release. Your card will not be assigned until the release is completed and returned. If you are having issues completing the release, please let me know.

If you have lost or misplaced your card, please visit this link- [Purchase Replacement Pool Access Card – Reatta Ridge](#) to purchase a replacement card. If you misplace or lose your card, please notify me as soon as possible so that I can deactivate the card temporarily. This is important to help keep our pool secure and ensure that only authorized residents have access to the pool.

Be safe and enjoy the Summer!
The Reatta Ridge Board of Directors
